Shag me baby I want it now - ooooooh
Oh baby I can't stop yearning
Shag me baby I need you now - ooooooh
Oh baby I can't stop loving you

Shag me

What you need my love
I got it babe - I got enough
What you want my dear
I got it babe - I got it right here
What you like my sweet
Stay behind i'll take the lead
I'm the best babe - anyhow
And I just wanna shag you now

Shag me baby I want it now - ooooooh

I know how to dance
You'll always get just another chance
I know how to love
And i'll get you the stars from the sky above
I know how to touch
Baby I'm sure you're gonne like it so much
Here I am baby hear me now
And I just wanna shag you now

Shag me baby I want it now - ooooooh

Wanna have good sex with you - so make it true for me
I wanna take what I can get so baby let it be
I guess I'm hot
Down to the spot

Shag me now - shag me now
Baby rag me now
I can't stop yearning
Shag me now
Like I did before
Baby I need more
So baby shag me right now
I can't stop waiting now
