Touch me - I wanna know if you know
That I love you
I wanna feel that you're real to me
Touch me - I wanna know if you know
That I need you
And you need me too

Baby tonight - the story of love's going on
And you will take part
There's a feeling inside
Keeps feeling me there's nothing wrong
Come close to my heart

I want you to touch me
I wanna know if you know
That I love you
I wanna feel that you're real to me
Touch me - I wanna know if you know
That I need you
Baby I wonder if you need me too
I want you to touch me - hold me

Baby it's true - I'm really addicted to you
I want you tonight
You're that angel of mine
Your love has come out of the blue
And I feel it inside

I want you to touch me - hold me
I want you to touch me - hold me

I want you to touch me - hold me
I want you to touch me
I want you to touch me
