Veejay's a little man  
But I'm his biggest fan  
Keeps playin all the hits  
Just putting on the ritz  
Veejay's a flashing light  
He's into fun all night  
He gets it going on - on and on - hey

Veejay the DJ  
He is so slim  
But every girlie wants to sleep with him, ooh  
Veejay the DJ  
Moves like a cat  
But he's the tiger in my bed  
Veejay the Dj ooh ooh ooh  
Veejay the Dj ooh ooh ooh

Veejay's of minor size  
But look into his eyes  
He's crazy as can be  
He'll set the tiger free  
He creeps into your soul  
And tries to gain control  
Veejay we need you so  
Go go go
