Puff she puff no bother puff
'pon Rasta
Tough she tough no bother
puff 'pon Rasta
Puff she puff
no bother puff 'pon Rasta

Making love on hungry belly
I couldn't cope too long
With my bare long hands
I am embarrassed most the time
But it's not no crime
Children crying day and night
can't find mummy

A puff she puff no bother
puff 'pon Rasta she puff she puff
She just a puff 'pon Rasta

She say rude
Tough she tough hard she hard
A no soft she soft
Puff she puff
She just a puff 'pon Rasta
Enough she 'nough you
kinna 'nough 'pon Rasta

Money I Can hardly find
And white scrawl a bite
Simple things are so serious
In these time
The things that you do and
upset some day and regret

Tough tough tough she tough
A puff she puff
No bother puff 'pon Rasta

Puffy puff
Claim she tough
She just a puff she just a

puff 'pon Rasta

Many a times when I check
my life style
A been a living in another
foot step of another man
I no man man a failure

She just a puff
She just a puff 'pon Rasta
She puffy puff
She claims she tough she
just a Chuck
No bother chuck 'pon Rasta

Man find himself doing all
manner of evil
I and I a ion's

So no bother come gwaan
bout you tough
A nuff you nuff
