What's the matter, people?

Solidarity, solidarity

Everybody wants the same thing, don't they?

Everybody wants a happy end

They wanna see the game on Saturday

They wanna be somebody's friend

Everybody wanna work for a living

Everybody wants their children warm

Everybody wants to be forgiven

They want a shelter from the storm

Look at me, I ain't your enemy

We walk on common ground

We don't need to fight each other

What we need, what we need

Solidarity, solidarity

Solidarity, solidarity

Nobody likes to ask for money

Somebody likes to play the clown

Nobody likes to wait in a long line

Nobody likes being pushed around

Everybody wants their family protected

They wanna express themselves

Everybody wants to live forever

Look at me I ain't your enemy

Don't believe everything you hear

This is no time to fight each other

What we need, what we need

Solidarity, solidarity

Solidarity, solidarity

Solidarity, solidarity

Solidarity, solidarity

Solidarity, solidarity

Solidarity

Hey, people

Everybody wants the same thing, don't they?
Everybody wants a happy end
They wanna see the game on Saturday
They wanna be somebody's friend

Everybody wants the same thing, don't they?
Everybody wants a happy end
They wanna see the game on Saturday
They wanna be somebody's friend

Everybody wanna work for a living
They wanna keep their children warm
Everybody just wants to be forgiven
They want a shelter from the storm

What we need, what we need

Solidarity, solidarity
Solidarity, solidarity
Solidarity, solidarity
