I say you punch right here and you punch over there
sponji reggae

A keep trying very hard to succeed
I almost lost my reflex
My barefeet was burn
That I almost lost my nerves
My fingers are shaking as the day start breaking
I could a never keep it no longer
I had to tell it to one another

I say you bum right here and you bounce over there
sponji reggae
I say you rock right here and you rock over there sponji
reggae

Some say I am nuts zooky crazy
Want I to leave the music alone
They say go and look work I and I are lazy
But I think for a while and say to my self
It's a time for every style

You bum right here and you bounce over there sponji
reggae
I say you rock right here and you rock over there sponji
reggae
I say you punch right here and you punch over there
sponji reggae

I may not be a movie star
I don't drive no fancy car
I can afford only a Winchester cigar
From the day I was born and given life
I and I a actor genius name it
Genuine character

I say you bum right here and you bounce over there
sponji reggae
I say you rock right here and you rock over there sponji
reggae
I say you punch right here and you punch over there
sponji reggae
You rock right here and you rock over there sponji
reggae
