Oh as I sit under this weeping willow tree  
Pain and sorrow is all that I feel  
Deep inside of me it's burning out of control  
That same sensation You started in my soul.

So, Peace and love in the ghetto  
Peace and love in the ghetto, now  
Peace and love in the ghetto  
Peace and love in the ghetto now

Oh as I sit under this weeping willow tree  
Pain and Sorrow is all around me  
Woe as I wipe these tears from my eyes  
Oh yeah, I realize that Our lives should be free

(Chorus)

Oh as I sit under this weeping willow tree  
Never been enchanting the vines of the concrete  
Oh as I wipe these tears from my eyes, Oh father  
I realize that our lives should be free

(Chorus)

Like a bird in a tree  
(Peace and love in the ghetto now)  
Mm, Yeah,  
I'm holding one tired eye  
(Peace and love in the ghetto now)  
Steady, it's Free now.

Oh love, love... love for everyone
