Je me demande que tu fait
maintenant je pense encore a toi
Pourquoi les dieux ne veut
pas comprendre tout ca
Et je voudrais que tu (que tu) vive ma vie
L'histoire etait plus belle dans la fantasie
Met you in West-India
Over an endless sea
I never thought it could be for real
So few words, I never tired to feel
So why did it slip away
When did we go astray
I am to blame but I never lied
It's like a miracle passed me by
I'm on a distant shore
Too late but i long for more
I wonder why did you turn away
Love bites but I wanna stay
How could I be so blind
I can't get you off my mind
I wonder when did you turn away
Love bites but I wanna stay
Yeah-i-yeah
i-yeah-i-yeah
i-yeah-i-yeah
Yeah-i-yeah
i-yeah-i-yeah
Dans la fantasie...
