"If Heaven Were To Fall"

I'm going crazy my world is turning hazy
I never realized how close it
was until this day
So changes, I missed them all believe me
I'll take the fall but damn it,
wish I could pray for you to stay
Aaah...
Why so suddenly, it sure took
time to see
Aaah...
Why should I believe, that you are
there for me
I see the writing on the wall and know
the way I want to go
And even if the heaven were to fall,
I'll still be waiting
I see the writing on the wall and
I just wanna let you know
That even if the heaven were to fall
I'll still be waiting
I'm waiting, I'm waiting, I'm gonna be waiting waiting...
This time I'm standning, I'm coming
in for landing
I wanna see if all the dreams
we have can be for real
No chances, I want you to believe me
I know it isn't easy, wish I could show you
how I feel
Aaah...
Why so suddenly, it sure took
time to see
Aaah...
Why should I believe
that you are there for me
I see the writing on the wall
and know the way I want to go
And even if the heaven were to fall
I'll still be waiting
I see the writing on the wall and
I just wanna let you to know
That even if the heaven were to fall

I'll still be waiting
I see the writing on the wall and even if heaven were to
fall...
