I've crossed the river, and I mean to go far
I'm heading out on the ocean, alone, invisible
I know, in my mind, where I go, I wanna see it all
While I can, here I come, hear me say
Once in a lifetime
Follow the moonshine
Once in a lifetime
Come with me
I'm flying, high up in the sky
Where it all makes sense
I'm flying, you're the reason why
I am here now
I'm flying, high up in the sky
Where it all makes sense
I'm flying, you're the reason why
I'm here
I'm juggernaut, I'm blinded by the sun, this is it
Far away, there is no second chance
I'm on my way, all aboard for the ride
I am already here so you can't leave me behind hear
me say
Once in a lifetime
Follow the moonshine
Once in a lifetime
Come with me
I'm flying, high up in the sky
Where it all makes sense
I'm flying, you're the reason why
I am here now
I'm flying, high up in the sky
Where it all makes sense
I'm flying, you're the reason why
I'm here
Once in a lifetime
Follow the moonshine
Once in a lifetime
Come with me
Flying, high up in the sky
Where it all makes sense
I'm flying, you're the reason why
I am here now

I'm flying, high up in the sky
Where it all makes sense
I'm flying, you're the reason why
I'm here
I'm flying, high up in the sky
Where it all makes sense
I'm flying, you're the reason why
I am here now
I'm flying, high up in the sky
Where it all makes sense
I'm flying, you're the reason why
I'm here
