I'm always on the run,
Restless searching the sun
I'm on my way, it's all a
Timeless never ending story
My life is a civil war,
Between all open doors
So little time so many
Goals left to achieve

It's OK, OK, OK,
Insecurity to live this way, I wonder?

I'm not alone
I'm not alone, I'm just too deep in the game
I'm not alone, no, I'm on my way home

I've changed the night to day but,
One day I'll have to pay
Mission impossible to build
A place for us two without walls
I'm living day by day
I don't have to explain
There is no other solution I'm afraid

It's OK, OK, OK,
Insecurity to live this way, I wonder?

I'm not alone (no, no, no)
I'm not alone, I'm just too deep in the game
I'm not alone, no, I'm on my way home

I'm always here, don't you worry now
I'm always here
I just need some time but
I'm not alone

I'm not alone, I'm on my way home
I'm here, I'm standing on my own
Just a little bit tired
I'm on my way home

I'm not alone, I'm on my way home
I'm here, I'm standing on my own
Just a little bit tired
I'm on my way home

I'm not alone
I'm not alone now
I'm not alone
I just need some time to get it right
I'm not alone
I'm not alone now
I'm on my way home

Oh Lord, I'm not alone now
Oh Lord, I just need some time to get it right
Oh Lord, I'm not alone now
I'm on my way home.
