No more tears
On my own again
I never say goodbye
Here I am
I feel like a hurricane
But upside down
I move like in M.A.D.
To every sound
Trembling before you
Cause I'm going down ...
My last stand
Is all that I'm hearing
Will I ever find
An answer to what I have
On my mind
Thousand yard stare
Cause I'm going down ...
No more tears
On my own again
I never say goodbye
I will be just fine
You're still on my mind
Will you ever tell me why
Aiming high
I turn from the light
And I am on my way
Falling into the darkness
I can't stay
There's no escape
And I am going down
Final try
I'm back from the other side
And right on time
To once and for all claim
Back what's mine
The future is bright
And I won't go down
No more tears
On my own again
I never say goodbye
I will be just fine

You're still on my mind
Will you ever tell me why
No more tears
On my own again
I never say goodbye
Still on my mind
Will you ever tell me why
No more tears
On my own again
I never say goodbye
I will be just fine
You're still on my mind
Will you ever tell me why
