So i am what i am what i feel can not be wrong  
This is the way that i feel and i'm coming on strong  
We're talking hundreds and thousands  
With potentiel to stay  
But only one with quality  
Can turn the loneliness away, com folla mi

One is a wonder  
One is a wonder  
But only  
One is a wonder  
One is a wonder

Set the world on fire  
I'll do anything to get what i want  
Aim even higher  
I'll do anything to be the one

So i'm cruising round the continent  
To see what i can find  
A lot of fangs, but i refuse to be a slave to the grind  
We're talking gadda-da-vida,  
Honey now the deed is done  
And if you're in you've got to show me  
That you really are the one  
Con folla mi

One is a wonder  
One is a wonder  
But only  
One is a wonder  
One is a wonder

( i'm gonna ) set the world on fire  
I'll do anything to get what i want  
( i'm gonna ) aim even higher  
I'll do anything to be the one
