So damn... do you know that  
I can do the things you say  
Whatever it might be, again  
I show you what you wanna see  
So come on now, I am the wrecking ball  
And you control the swing  
We're gonna go far, far tonight  
My queen cause I am the king  
So boom boom can't you see  
That this is how I wanna be  
I'm coming up hard, mean and lean  
I am the fighting machine  
You're gonna go down if you  
Push me far enough, you will see  
I'm coming down hard, hard on you  
If you go up against me  
You better believe I was born on top  
Because I'm better than the rest of you  
And you'll never see me coming 'til  
It's too late  
I'm gonna go wild like the berserk  
I always wanted to be  
The original rude boy  
Why is it that you always have to be  
Someone else than before,  
Why can't you see  
I just wanna hold on to what I had  
The original you  
Why is it that you always try to be  
Someone I can no longer stand to see  
I just wanna hold on to what I had  
The original you  
So damn... do you know that  
I can do the things you say  
Whatever it might be, again  
I show you what you wanna see  
So come on now, I am the wrecking ball  
And you control the swing  
We're gonna go far, far tonight  
My queen cause I am the king  
You better believe I was born on top  
Because I'm better than the rest of you

And you'll never see me coming 'til  
It's too late  
I'm gonna go wild like the berserk  
I always wanted to be  
The original rude boy  
Why is it that you always have to be  
Someone else than before,  
Why can't you see  
I just wanna hold on to what I had  
The original you  
Why is it that you always try to be  
Someone I can no longer stand to see  
I just wanna hold on to what I had  
The original you...  
You come with a whole lot of words  
But I have no ear for you
