Both know what memories can bring
I am racing cross the heaven
while trying to forget
I might be lost for a minute cuz the words don't come
easy
what I say I will probably regret

We're two faced barricades
I don't know what to say
that's me stumbling away
we're in this masquerade
both know what the memories bring

This is the ride, this is "The Tide"
been waiting far too long
time to decide, what's on your mind
or I am gone... So long
screaming down, freeway mad
leaving the memories so sad
cuz this is the ride, cuz this is "The Tide"

I've got a never ending battle inside and
I am trying to rectify my pride
I feel I've lost all the patience that I had
and I can't protect myself even though this is the "The
Tide"

We're two faced barricades
I don't know what to say
please somebody show the way
we're in this masquerade
both know what the memories bring

This is the ride, this is "The Tide"
been waiting far too long
time to decide, what's on your mind
or I am gone... So long
screaming down, freeway mad
leaving the memories so sad
cuz this is the ride, cuz this is "The Tide"

We're two faced barricades
I don't know what to say
please somebody show the way
we're in this masquerade
both know what the memories bring

This is the ride, this is "The Tide"
been waiting far too long
time to decide, what's on your mind
or I am gone... So long
screaming down, freeway mad
leaving the memories so sad
cuz this is the ride, cuz this is "The Tide"
