So I am what I am and what I feel can not be wrong  
This is the way that I feel and I'm coming on strong  
We're talking hundreds and thousands with potential to  
stay

But only one with quality can turn the loneliness away,  
Come follow me, one is a wonder  
One is a wonder  
But only one is wonder  
One is a wonder

Set the world on fire  
I'll do anything to get what I want  
And even higher  
I'll do anything to be the one

So I'm cruising round the continent  
to see what I can find  
a lot of fangs, but I refuse to be a slave to the ground  
We're talking gadda-da-vida,  
honey now the deed is done  
and if you're in you've got to show me  
that you really are the one  
Come follow me

One is a wonder  
One is a wonder  
But only  
One is a wonder  
One is a wonder

( I'm gonna ) Set the world on fire  
I'll do anything to get what I want  
( I'm gonna ) aim even higher  
I'll do anything to be the one
