Lived my life to the extreme
I've been waisting my time with lies
Lived my life from dream to dream
You have awaken the beast that sleeps

I'll be forever here, around you day and night
I'll never let you down, I'll stay right here

You know that I will always stand by your side
You know that what we've got is stronger than pride
You know there is nothing I wouldn't do
I'll always stay with you

You must give me half a change
I am not what I used to be
I know this sudden change
Must be confusing for you to see

I'll be forever here, around you day and night
I'll never let you down, I'll stay right here

I'll be forever here, around you day and night
I just want you to know where I am
I just want to make sure that you know.....

We'll always stand by your side
What we've got is stronger than pride
You know there is nothing I wouldn't do
I'll always stay with you
