(Spoken)

Hello? Hello is anybody home?

Is anybody home?

Hey hello? Hello?

You little space cadet,
Don't get your hair all wet,
You're always locked in a dream,
I'm fed up, tired, I could scream,
Wake up, wake up,
You sit and play on the floor,
Amused with my back against the door,
Your so close, your so far,
I don't know who you are,
Get up, get up

CHORUS:

Is anybody home up there?

I've been knockin',
knockin' at your door,
When I look into your
eyes, no one's home,

I'm left standing, feeling so alone

So alone, so alone

Got my reasons to be up tight,
I'm like a vibe that
you blow at night,
And when it's time to go to bed,
My secret passions on the bed
Will really let up, let up,
And on your pretty plain face,
It's all over, all over in the space,
And when I try to make my move,
You're lost and I'm confused,
I wanna give up, give up

REPEAT CHORUS TWICE

So alone, so alone

SOLO

(Spoken)
