If you want my love  
Say It, Say It  
(Now Darling)  
Gotta let it out  
Say It, Say It  
(Yeah)  
If you want my love  
Say It, Say It  
(Don't worry)  
What it's all about  
Say It, Say It  
(Yeah)

When I'm with you  
You know just what the right things are to do  
Your actions move me  
But your attitude, it makes me so confused  
You lead me on in the right direction  
Then you let me down, without protection  
Ain't gonna be your sacrifice  
Just to be 'round words that might sound nice  
There ain't no use in playing games  
I'm wanting you! Do you feel the same?  
When it comes down to the bottom line  
I really gotta know, am I wasting time?

If you want my love  
Say It, Say It  
(Now Darling)  
Gotta let it out  
Say It, Say It  
(Yeah)  
If you want my love  
Say It, Say It  
(Don't worry)  
What it's all about  
Say It, Say It  
(Yeah)

I can see right through you  
Your not as cool as you pretend to be  
Your reactions tell me

Your just waiting for the words to come from me  
You lead me on in the right direction  
Then you let me down, without protection  
Ain't gonna be your sacrifice  
Just to be 'round words that might sound nice  
There ain't no use in playing games  
I'm wanting you! Do you feel the same?  
When it comes down to the bottom line  
I really gotta know, am I wasting time?

If you want my love  
Say It, Say It  
(Now Darling)  
Gotta let it out  
Say It, Say It  
(Yeah)  
If you want my love  
Say It, Say It  
(Don't worry)  
What it's all about  
Say It, Say It  
(Yeah)

If you want my love  
(Say It, Say It)

What it's all about  
(Say It, Say It)

Don't try to disguise  
What's in your eyes  
They're so revealing  
I know your afraid  
But it's okay  
Say what you feel  
Oh, yeah

If you want my love  
Say It, Say It  
(Now Darling)  
Gotta let it out  
Say It, Say It  
(Yeah)  
If you want my love  
Say It, Say It  
(Don't worry)  
What it's all about  
Say It, Say It  
(Yeah)

If you want my love

Say It, Say It  
(Now Darling)  
Gotta let it out  
Say It, Say It  
(Yeah)  
If you want my love  
Say It, Say It  
(Don't worry)  
What it's all about  
Say It, Say It  
(Yeah)
