Well in this life I've seen everything I can see woman
I've seen lovers flying through the air hand in hand
I've seen babies dancing in the midnight sun
And I've seen dreams that came from the heavenly
skies above
I've seen, old men crying at their own grave sides
And I've seen, pigs all sitting, watching picture slides
But I never seen nothing like you

Do you, do you want my love?
Do you, do you want my face?
Do you, do you want my mind?
Do you, do you want my love?

Well I, heard the crowd singin' out of tune
As they, sat and sang "Auld Lang Syne" by the light of
the moon
I heard the preachers bangin' on the drums
And I heard the police playin' with their guns
But I never heard nothin' like you

In the country where the sky touches down
On the field, she lay her down to rest in the morning
sun
They come a runnin' just to get a look, just to
Feel to touch her long black hair they don't give a damn
But I never seen nothin' like you

Do you, do you want my love?
Do you, do you want my face?
Do you, do you want my mind?
Do you, do you want my love?

Well I think you know what I'm trying to say woman
That is I'd like to save you for a rainy day
I've seen enough of the world to know
That I've got to get it all to get it all to grow

Do you, do you want my love?
Do you, do you want my face?
Do you, do you want my mind?
Do you, do you want my love?

Oh look out

Do you, do you want my love?

Do you, do you want my love? Oh
