Why do I say don't walk away?
You'll be the way you were before
When you don't want me anymore
Don't turn around, don't ever leave
A lonely road where empty days
Are gathering to meet me

When you're gone, gone
How in the world can I go on?

Don't walk away
All you gotta do is stay
Don't walk away
All you gotta do is stay
Don't walk away

Don't walk away, don't walk away
Don't say goodbye, don't say goodbye
Don't turn around, don't turn around
Don't let it die, don't let it die

When shadows fall, when shadows fall
When the day is done, when the day is done
All through the night, all through the night
All of my life, all of my life
Don't walk away

Is it a dream? When will it end?
When everything we've ever known
Is ending up all alone
Where will I go? Where will I be?
The feelings that I've never shown
Maybe I'll find the answer

When you're gone, gone
How in the world will I go on?

Don't walk away
All you gotta do is stay
Don't walk away
All you gotta do is stay
Don't walk away

Don't walk away, don't walk away
Don't say goodbye, don't say goodbye
Don't turn around, don't turn around
Don't let it die, don't let it die

When shadows fall, when shadows fall
When the day is done, when the day is done
All through the night, all through the night
All of my life, all of my life
Don't walk away

Don't walk away, don't walk away
Don't say goodbye, don't say goodbye
Don't turn around, don't turn around
Don't let it die, don't let it die

When shadows fall, when shadows fall
When the day is done, when the day is done
All through the night, all through the night
All of my life, all of my life

Don't walk away, don't walk away
Don't say goodbye, don't say goodbye
Don't turn around, don't turn around
Don't let it die, don't let it die

When shadows fall, when shadows fall
When the day is done, when the day is done
All through the night, all through the night
All of my life, all of my life
Don't walk away
