Hello--how are you
Have you been alright, through all those lonely nights,
That's what I'd say, I'd tell you everything,
If you'd pick up that telephone.

Hey--how you feelin'
Are you still the same
Don't you realize the things we did were all for real not
a dream,
I just can't believe
They've all faded out of view.

I look into the sky
(The love you need ain't gonna see you through.)
And I wonder why
(The little things are finally coming true.)

[CHORUS]

Telephone line, give me some time, I'm living in twilight
Telephone line, give me some time, I'm living in twilight

O.K. so no--one's answering,
Well can't you just let it ring a little longer
I'll just sit tight, through the shadows of the night
Let it ring for evermore.

[CHORUS -- repeat]
