I never really been the type to be superstitious and  
I wouldn't say that I'm super religious  
But lately I've been praying and hoping and wishing,  
hey  
Is anyone out there willing to listen  
I'm kind of worried about the world that we live in  
It's time to stand up but everyone's hating, oh  
Mothers are crying all night long waiting for their kids  
to come home  
Does anybody see that something's wrong, yeah  
Earth we're living on today is never ever gonna be the  
same  
If we don't wake up and make a change, no tell me

Am I all alone  
Am I all alone  
Is anybody out there hearing my song  
Is anybody home  
Is anybody home  
If there's anybody out there feeling something's  
wrong  
Then let me hear you say.  
Ao aha ao aha...

What good is a heart if there ain't love in it  
What good are your eyes if you ain't got vision  
What good is the world if can't all fit in, hey  
See all I know we ain't that different all tryna get by  
And raise our children  
Love and pain yeah we share the same feelings, yeah  
Mothers are crying all night long waiting for their kids  
to come home  
Does anybody see that something's wrong, yeah  
Earth we're living on today is never ever gonna be the  
same  
If we don't wake up and make a change, someday

Am I all alone  
Am I all alone  
Is anybody out there hearing my song  
Is anybody home  
Is anybody home

If there's anybody out there feeling something's  
wrong  
Then let me hear you say.  
Ao aha ao aha...

Am I alone  
Am I alone

Am I all alone  
Am I all alone  
Is anybody out there hearing my song  
Is anybody home  
Is anybody home  
If there's anybody out there feeling something's  
wrong  
Then let me hear you say.  
Ao aha ao aha...
