"Baby Goodbye"

You might think that I am radical
But I can't go around pretending life is fine
No no
Don't even miss when love was magical, no
So please don't bother buy me flowers when you're
gone,
Gone, gone, gone, gone

Baby goodbye, baby farewell
I don't wanna lie
Coz we can't stay together
My friend
This is the end, the picture is drawn
You're not even on
Because you're gone,
Gone, gone, gone, hey!

I've never been the calm an' quiet one
When people say that I am off the leash
I've not even begun, 'gun, 'gun

Baby goodbye, baby farewell
I don't wanna lie,
Coz we can't stay together,
My friend
This is the end, the picture is drawn
You're not even on,
Because you're gone,
Gone, gone

I don't wanna see
I don't wanna know
I don't wanna hear
If you are alone
I'm feeling so free,
Now that you're gone,
Gone, gone

Baby goodbye, baby farewell
I don't wanna lie,
Coz we can't stay together
My friend

This is the end, that picture is drawn
You're not even on,
Because you're gone,
Gone, gone

Baby goodbye, baby farewell
I don't wanna lie,
Coz we can't stay together
My friend
This is the end, the picture is drawn
You're not even on
Baby goodbye, baby farewell
I don't wanna lie
Coz we can't stay together
My friend
This is the end, the picture is drawn
You're not even on,
Because you're gone, gone, gone
Baby goodbye!
