I don't think I know you
Don't think I ever will
Am I in love with you
Well I don't know still
It may sound strange but I'm warning you
I may not be that nice

Maybe baby I'm a heartbreaker
Heartbreaker
Heart of ice

But I'm burning, burning
Cos you set my soul on fire
I don't know what I'll do

'Cos I'm burning
I'm burning
I'm burning with desire
Yes, I'm burning and it's all because of you

We can't be together
I'm not that kind of a guy
I'll be gone and lost forever
And you won't know why

Don't get me wrong, I'm only warning you
You'd be on your own.
Maybe baby I'm a heartbreaker
Heartbreaker
Heart of stone.

Yes I'm burning, burning
Cos you set my soul on fire
I don't know what I'll do

'Cos I'm burning

I'm burning
I'm burning with desire
Yes, I'm burning and it's all because of you
Because of you

Yes I'm burning, burning
Cos you set my soul on fire
I don't know what I'll do

'Cos I'm burning
I'm burning
I'm burning with desire
Yes, I'm burning and it's all because of you
Because of you

Girl, I don't know what I'd do
I'm burning
I'm burning with desire
Yes, I'm burning and it's all because of you

I don't think I know you
Don't think I ever will
