"For You"

How does it feel when you're on the edge and you're
Not getting
All that you oughta get?
It ain't no fun when you're stuck in doubt with a love
Burned out
Like a cigarette

(I, I, I)

I took a one way ticket on a two way train (I, I, I)
I just don't seem to get it
'cos I'm still around when it all falls down

For you, for you
For you I'll break myself in two
In two
For you I'll set my house on fire
For you I live in this abandoned state
My reasons forsake me so why don't you
Wake me up

If I could be the one to turn back time
And reverse the crime, could I see it trough?
Would I be strong enough to shake those lies
Would I sympathize and believe in you?

(I, I, I)

I had a full blown low on an empty high (I, I, I)
You just don't seem to feel it
That I'm still around when it falls down

For you, for you
For you I'll break myself in two
In two
For you I'll set my house on fire
For you I live in this abandoned state
My reasons forsake me so why don't you
Wake me up

I was with you when the joyride started
And I'm still here when you're gone departed

I don't wanna drop the baggage of our love

For you

For you, for you

For you I'll break myself in two

In two

For you I'll set my house on fire

For you, for you I live in this abandoned state

My reasons forsake me so why don't you

Wake me up

My reasons forsake me so why don't you

Wake me up
