I've been waiting for my luck to turn
For my heart to burn again
I've been praying
But I should have known
That you're not alone tonight

You should know that I am head over heels for you
For you

Jennie let me love you, oh
You know I'll do anything for you
I know that you belong to, yeah
A man who doesn't deserve you
You know I'll be true, oh
Jennie let me love you
Jennie let me love you

You've been crying
And you can't pretend
That his love will mend your life
And now you're lying between my twisted sheets
And you're sore heart beats with mine

You should know that I am head over heels for you
For you

Jennie let me love you, oh
You know I'll do anything for you
I know that you belong to, yeah
A man who doesn't deserve you
You know I'll be true, oh
Jennie let me love you

In the dead of night
You know that I will be waiting
Gotta let you know
I'm head over heels for you
For you, oh

Jennie let me love you, oh
You know I'll do anything for you
I know that you belong to, yeah

A man who doesn't deserve you

Jennie let me love you, oh
You know I'll do anything for you
I know that you belong to, yeah
A man who doesn't deserve you

You know I'll be true, oh
Jennie let me love you
