There's a place out there for us
More than just a prayer or anything we ever dreamed
of
So if you feel like giving up cause you don't fit in down
here
Fear is crashing in
Close your eyes and take my hand

We can be the kings and queens of anything if we
believe
It's written in the stars that shine above
A world where you and I belong
Where faith and love will keep us strong,
Exactly who we are is just enough
Yes there's a place for us, there's a place for us.

When the water meet the sky
Where your heart is free and hope comes back to life
Where these broken hands are whole again
We will find what we've been waiting for
We were made for so much more

We can be the kings and queens of anything if we
believe
It's written in the stars that shine above
A world where you and I belong, where faith and love
will keep us strong
Exactly who we are is just enough
Yes there's a place for us, now there's a place for us
So hold on, now hold on,
There's a place for us

We can be the kings and queens of anything if we
believe
It's written in the stars that shine above
A world where you and I belong, where faith and love
will keep us strong
Exactly who we are is just enough, exactly who we are
is just enough
There's a place for us
