Verse 1

I guess I knew it, deep in my heart
But I got lost in my echo
In every minute, right from the start
This time around I gotta let you know
Ooooh, I've been searching high
And low and now I found a way to go
There's no way to stop me now

Chorus

Call me youngblood, but I ain't wasting no time
Going higher higher, youngblood
I'm gonna follow my heart gonna walk the wire
Through a minor sky I'm gonna see things eye to eye
I'm a youngblood, call me youngblood

Verse 2

I wanna live, just for the day
I know I'm not forever young
You know it's you and noone else
This time around I gotta let you know
Ooooh, I've been searching high
And low and now I found a way to go
There's no way to stop me now

Chorus

Call me youngblood, but I ain't wasting no time
Going higher higher, youngblood
I'm gonna follow my heart gonna walk the wire
Through a minor sky I'm gonna see things eye to eye
I'm a youngblood, call me youngblood

Bridge

There's nothing in this world that I woun't do
That I wouldn't do for you now
You know it's true
There's nothing in this world that I woun't do
That I wouldn't do for you now
You know it's true

Youngblood, youngblood

Chorus

Call me youngblood, but I ain't wasting no time

Going higher higher, youngblood

I'm gonna follow my heart gonna walk the wire

Through a minor sky I'm gonna see things eye to eye

I'm a youngblood, I'm a youngblood

Ooh

Youngblood, youngblood

Call me youngblood
