"A Devil For Me"

Well, now's the time to say your prayers
And now's the time to show your stuff
Cause people talk but people separate
It's the same damn excuse when dangers headed your
way

You talk the talk but do you walk the walk?
Your apathy is just a living flaw
You pull the trigger count 1,2,3
It's a finger flip for you...
And a devil for me

A wedding of the damned
This razor cuts the pain right out

We're bound until the end
My love

You acted first you could have walked away
With broken parts and things you can't replace
You pull the trigger count 1,2,3
It's an "anti Christ" for you...
Fallen angel for me

A wedding of the damned
This razor cuts the pain right out
We're bound until the end
My love
