We gather here to sing for you, the words you've
written
Each bloodshot beauty still rings true, from violent
crashes

Gently rest your weary head
What you've live for now is dead

Goodnight(Whoa-ho-ho,whoa-ho-ho)
Goodbye(Whoa-ho-ho-ho-ho-ho-ho)
A soul surrender

This love will set you free from thoughts of yesterday
Now death has come to claim your Beautiful Remains

I'll strike the match to set you off, and watch you
glisten
Our loves in time a single loss, and never listen

Gently rest your weary head

What you've live for now is dead

Goodnight(Whoa-ho-ho,whoa-ho-ho)
Goodbye(Whoa-ho-ho-ho-ho-ho-ho)
A soul surrender

This love will set you free from thoughts of yesterday
Now death has come to claim your Beautiful Remains

Here in this room is what we must do

This love will set you free from thoughts of yesterday
Now death has come to claim your Beautiful Remains

This love will set you free from thoughts of yesterday
Now death has come to claim your Beautiful Remains
