Take your crosses, I'll live without them, Standing wet
in holy rain, When you were baptised, Ignored the
problem, Thats when I watched you seal your grave.

I tried to save you but let you drink the pain,
A final song now we both know,
So I'm not giving up,
Won't let you suffocate me,
You find your hell-less home.

I don't owe you anything,
You'll only die a dream forgotten,
I've got my pride so hear me sing,
I'll never let you steal my coffin.

Words is weapons,
Pierce into you,
so self-righteous,
Heading your way
I'm alive and,
Now I am burning,
say a prayer to end today,

I tried to save you but let you drink the pain,
A final song now we both know,
So I'm not giving up,
Won't let you suffocate me,
You find your hell-less home.

I don't owe you anything,
You'll only die a dream forgotten,
I've got my pride so hear me sing,
I'll never let you steal my coffin.

I won't let you steal my after life,
I won't let you steal my after life.

So I'm not giving up,
Won't let you suffocate me,
You find your hell-less home

I don't owe you anything,

You'll only die a dream forgotten,
I've got my pride so hear me sing,
I'll never let you steal my coffin.

I don't owe you anything,
You'll only die a dream forgotten,
I've got my pride so hear me sing,
I'll never let you steal my coffin.
