You've been running for so long, still breathing
Hoping soon to find a song worth singing
Every chapter of this note they're reading
But you're slowing losing hope on bleeding

I'll carry you, my darkest desire
When life sings to you, through devil's choir
F.E.A.R., won't, steal what burns in you

I'll carry you, away from the fire
My desire, devil's choirs [x2]

(Raise another broken glass to failure)
A simple promise of a crimson savior
Take a look into the life you're leaving

I promise you this isn't pain you're feeling

I'll carry you, my darkest desire
When life sings to you, through devil's choir
F.E.A.R., won't, steal what burns in you

I'll carry you, away from the fire

(Rawr!)

(COME ON!)

I'll carry you, my darkest desire
When life sings to you, through devil's choir
F.E.A.R., won't, steal what burns in you

I'll carry you, away from the fire
My desire, devil's choirs [x4]
