We're all told that when we die
We leave to a better place
All I know is what you left
A love I cant erase

All the same in love and war
But my name in ashes scorn

You left me with these broken lies
And I let you
Got no more time for your goodbyes
So God bless you

God bless you

Shed those faded memories
This is your curtain call
I've had enough of sympathy
Its time to watch you fall

All the same in love and war

You left me with these broken lies

And I let you
Got no more time for your goodbyes
So God Bless You

So God Bless You
God bless you!
God bless you
God bless you!

You left me with these broken lies
And I let you
Got no more time for your goodbyes
So God Bless You

You left me with these broken lies
And I let you
Got no more time for your goodbyes
So God Bless You

So God Bless You
God Bless You!
God Bless You
God Bless You!
