I don't wanna be!

Hello my love,
Well good riddance and farewell to you.
This marks the day we met on your terms.
Hello my hate,
Well this marks the day I killed you.
So cuddle, make your bed, we broke the ice... You're
only dead and...

I don't wanna be!
Another dead-weight victim of love tragedy and,
I don't wanna be!
Another "look like James Dean" punk trippin' sanity and,
I don't Wanna be!
Another straight edge poser preachin',
Lets be smoke free!
Cause all I wanna be!
Is another "who cares" "shot dead" kid, I'm going
down, down, down!

I am your hate, you are my love, I am your lust, you are
my love drug,
The one that cures me.
Hello my hate,
Well this marks the day I killed you.
So rest in peace, you made your bed... Quit haunting
me your only dead!
I don't wanna be!
Another dead-weight victim of love tragedy and,
I don't wanna be!
Another "look like James Dean" punk trippin' sanity and,
I don't wanna be!
Another straight edge poser preachin',
Lets be smoke free!
Cause all I wanna be!
Is another "who cares" "shot dead" kid, I'm goin down,
down, down!
