Rawr!

Here we go!

Holding on to lies, holding on to tides that vanish

Cut the rope, and fall into the sky

The Devil fills our minds with sadness

The world's a gun, and I've been aiming all my life

Got some thing to live for, I know that I won't surrender,

A warrior of youth!

I'm taking over, a shot to the new world order

I am bulletproof! (x4)

Here I go!

Another prision fight

Another perfect sky I damage

Now I know, just who created life

And why I set my sights to save it

The world's a gun, and I've been aiming all my life

Got some thing to live for, I know that I won't surrender,

A warrior of youth!

I'm taking over, a shot to the new world order

I am bulletproof!

And as they take their final breath, i have built the truth

I'm taking over, a shot to the new world order

I am bulletproof!

(Bulletproof!) (x2)

(I am bulletproof!)

Got some thing to live for, I know that I won't surrender,

I'm taking over, a shot to the new world order

I am bulletproof! (x2)

(I am bulletproof) (x2)
