Quiet as I watch you falling
You become the prey again
I can see your skin is crawling
Lipstick cases and sin

Wake up, wake up, wake up
You're drowning
Same old song n' dance
Wake up, wake up, wake up
My darling
Never stood a chance

Lost in love you are
Out of touch so far
An illusion
It's all just Smoke and Mirrors
Always chasing scars
Never get too far
An illusion
It's all just Smoke and Mirrors

I hear it in her voice she's stalling
You were just another man
Your claims of love are falling
Now it's clear you can't win

Wake up, wake up, wake up
Hearts pounding,
Praying for romance
Wake up, wake up, wake up
It's ending
Time to try again

Lost in love you are
Out of touch so far
An illusion
It's all just Smoke and Mirrors
Always chasing scars
Never get too far
An illusion
It's all just Smoke and Mirrors

I'd rather be alone
Than put you on a throne
And lose my faith in Smoke and Mirrors

Black painted eyes
Cover the lies
Its time you threw away your cruel disguise

Lost in love you are
Out of touch so far
An illusion
It's all just Smoke and Mirrors
Always chasing scars
Never get too far
An illusion
It's all just Smoke and Mirrors

I'd rather be alone
Than put you on a throne
And lose my faith in Smoke and Mirrors
