Through sadness you have taught us to be one with the crowd

Unveil the sacred order, hymns of falling down
You told the greatest stories of love and bleeding crowns, but to the sick and hungry you cannot be found.

We are young and we are strong.
Through strength in self we become
Something more than they can be,
I raise my heart and sing!

That I won't believe this lie
I know there's something more inside
When darkness is all YOU see, This is OUR Sweet Blasphemy

Silence the crooked holy,
Unchain the tied and bound,
No time for allegory
One true reigning sound,
Unite the lonely mourning,
A simple servant now,
We are the only glory hear us screaming loud
We are young and we are strong.
I raise my heart and sing!

That I won't believe this lie
I know there's something more inside
When Darkness is all you'll see,
This is Our Sweet Blasphemy

"We Are Young And We Are Strong,
Through Strength In Self We Become
Something More Than They Can Be,
This Is Our Sweet Blasphemy"

That I won't believe this lie
I know there's something more inside
When Darkness is all you'll see,
This is Our Sweet Blasphemy

That I won't believe this lie
I know there's something more inside
When Darkness is all you'll see,
This is Our Sweet Blasphemy
