Let's Go!

As I wrote this prayer for you  
Wishing I believe in something more  
This grave is dug for you is sinking

Like each lit cigarette we burn  
Our best when no one is around  
But it's not my vanity  
You're missing

Black roses on graves  
Well it pains to say

Take me away  
(Write our names in blood)  
Hold on to me  
(Never let go)

Take me away  
(Write our names in blood)  
Hold on to me  
(Never let go)

Well I've got my skeletons with skill  
I hide them deep within my seams  
But this line of it has left me...Empty

Well I've got my sympathy it's played  
Along on post traumatic scenes  
But it's not my vanity  
You're missing

Black roses on graves  
Well it pains to say

Take me away  
(Write our names in blood)  
Hold on to me  
(Never let go)

Take me away  
(Write our names in blood)  
Hold on to me  
(Never let go)

Black roses on graves  
It pains to say

Black roses on graves  
Well it pains to say

Take me away  
(Write our names in blood)  
Hold on to me  
(Never let go)

Take me away  
(Write our names in blood)  
Hold on to me  
(Never let go)
