You kissed the lips of evil
Two months it's all the same
Beg for this mans approval
Pray to die in vein

Sit down with thoughts alone now
With blood these lyrics came
Your words can eat right through me
Dead could here my shame

The tears we've cried
This love has died
You're by yourself with me tonight
It's what we had with every lie
And stitch these wounds with me tonight

I'll think of it each time I touch you
Every time I hear his name
These walls will never crumble
Heres our cause to blame

Sit down with thoughts alone now
With blood these lyrics came.
Your words can eat right through me
Dead could here my shame.

The tears we've cried
This love has died
You're by yourself with me tonight
It's what we had with every lie
And stitch these wounds with me tonight

LIAR! LIAR! LIAR! OH!

The tears we've cried
This love has died
You're by yourself with me tonight
It's what we had with every lie
And stitch these wounds with me tonight

The tears we've cried

This love has died
You're by yourself with me tonight
It's what we had with every lie
And stitch these wounds with me tonight

LIAR! LIAR! LIAR! Say Goodbye!
