These words are burning inside of me
Spent years in liquid harmony
This dream is who I wanna be
(Youth and Whiskey!)

I grew from those who hated me
Steadfast to a razorblade symphony
Cigarettes n' lyrics made me
(Youth and Whiskey!)

Can you see?
Can you see me?
I'm strong from what they made me
These angels, who carry me
They taught me Youth and Whiskey!

Baptized in smoke and misery
A loaded gun and a bastard's history
My temple's for the crazy
(Youth and Whiskey!)

No sorrow left inside of me
Celebrate the moment behind me
This shot is Holy Mary
(Youth and Whiskey!)

Can you see?
Can you see me?
I'm strong from what they made me
These angels who carry me
They taught me Youth and Whiskey!

Hey, hey!
Brothers!
Hey, hey!
Fighters!
Hey, hey!
Bottles, livin' for another round!

Hey, hey!
Lovers!
Hey, hey!
Liars!
Hey, hey!
Throttles speeding towards a blackout!

BLACKOUT!

Can you see?
Can you see me?
I'm strong from what they made me
These angels, who carry me
They taught me Youth and Whiskey!
