These words are burning inside of me
Spent years in liquid harmony
This dream is who I wanna be
Youth and Whisky

I grew from those who hate me
Stand fast to a razor blade symphony
Cigarettes and lyrics made me
Youth and Whisky

Can you see
Can you see me
I'm strong from what they made me
These angels
Who carry me
They taught me Youth and Whisky

Baptized in smoke and misery
A loaded gun and a bastard's history
My temple's for the crazy
Youth and Whisky

No sorrow left inside of me
Celebrate the moments behind me
This shot is Holy Mary

Youth and Whisky

Can you see
Can you see me
I'm strong from what they made me
These angels
Who carry me
They taught me Youth and Whisky

Hey, hey, Brothers
Hey, hey, Fighters
Hey, hey, Bottles
Living for another round
Hey, hey, Lovers
Hey, hey, Liars
Hey, hey, Throttle

Speeding towards a blackout

BLACKOUT

Can you see
Can you see me
I'm strong from what they made me
These angels
Who carry me
They taught me Youth and Whisky
