Alright, come on, sing it one time
(Yeah, yeah, yeah, yeah, yeah, yeah)
Sing, oww
(Yeah, yeah, yeah, yeah, yeah, yeah)
Ha, ha

Walked in this place, surprised to see a big girl gettin'
busy
Just rockin' to the go-go beat
The way she shook her booty sho' looked good to me
I said, 'Come here, big girl, won't you rock my world?
Show that dance to me'

She was doin' the butt, hey pretty, pretty
When you get that notion, put your backfield in motion,
hey
Doin' the butt, hey sexy, sexy
Ain't nothing wrong if you wanna do the butt all night
long

(Hey, yeah, yeah, yeah, yeah, yeah, yeah)
Ow, what you gonna do about it?
(Yeah, yeah, yeah)
Shake it
(Yeah, yeah, yeah)

I took that girl out on the floor
She rocked me from the backside
We did the butt 'til it made me sore
Now, it's a physical thing, but not hard to do
You just shake-a shake, shake, shake, shake-a shake,
shake
Doin' the butt the whole night through, come on

She was doin' the butt, hey pretty, pretty
When you get that notion, put your backfield in motion,
hey
Doin' the butt, hey sexy, sexy
Ain't nothing wrong if you wanna do the butt all night
long

That's right, shake your butt

Come on, gimme that butt, gimme that butt

Tanya got a big ol' butt

(Oh yeah?)

Theresa got a big ol' butt

(Oh yeah?)

Irene got a big ol' butt

(Oh yeah?)

Melissa got a big ol' butt now

And Sonya got a big ol' butt

(Oh yeah?)

And Shirley got a big ol' butt

(Oh yeah?)

Ol' Tammy got a bubble butt

(Oh yeah?)

Little Keisha got a big ol' butt, now, gimme the butt!

(Yeah, yeah, yeah, yeah, yeah, yeah)

I'm gonna drop you lines before we set up

We're screamin' at girls with the big ol' butt, sing it

(Yeah, yeah, yeah)

Oww, I want your butt, that butt, that big ol', big ol' butt,

oww

(Yeah, yeah, yeah)

She was doin' the butt, hey pretty, pretty

When you get that notion, put your backfield in motion,

hey

Doin' the butt, hey sexy, sexy

Ain't nothing wrong if you wanna do the butt all night

long
