I'm not a nuttin' ass nigga, just down for my riches, I  
figure it takes

About a million or 500.000 tapes  
To become officially gold or platinum status  
That's why I'm always at this

Practise, in and out tha studio 24-7  
My occupation, this is how I make my livin'  
I get harrassed mostly everywhere I go  
Can do my thing without a motherfuckin' popo

All up in my mix, 'cause I'm tryin' to maintain  
And get a grip light weight fame  
Born and raised in tha valley south Vallejo  
The northern part of Cali, 'bout my mail

Struggle and strive all my life in a world of grief  
Sucker motherfuckers wanna knock me of my feet  
But I'mma keep on steppin' and gettin' bigger  
I'm not a nuttin' ass nigga

I'm not a nuttin' ass nigga, just down for my riches

Not to long ago I'm off to the bank to cash my cheque  
The lady teller wouldn't give me no damn respect  
She started acting hella snotty, kinda prejudiced  
I guess she didn't like the way that a nigga was  
dressed

Before I could even get my foot in the door, right  
The bitch already had a brother like me stereo-typed  
Ready to push the button with no delay  
I said wait a minute, baby, you mistakin' me for Andre

I'm not a rat head wanna be  
I wouldn't rob a fuckin' bank for publicity  
I get it honestly, legally so have no fear  
I make more in a week than you do in a year

Straight out tha geto, hillside resident  
Sick wid it records and tapes and I'm the president  
So don't go thinkin' that every brother is out to get ya

I'm not a nuttin' ass nigga

I'm not a nuttin' ass nigga, just down for my riches

Sometimes my language is vulgar, lotsa profanity  
I try not to trip when kids parents
