Mobb shit, bitch  
I know you know  
But check game doe

I'm in the S-E 4-double O  
Sitting real low, stick in the flo', oh  
The hoe want me to come swoop  
Take her for a ride in my blue Lex Luthor, Lex Luthor

But the bitch ain't got no gas fetti, gas fetti  
So I burnt her like Fast Freddy, Fast Freddy  
Hit me on the first when your mail has come  
And maybe we can go to the mall or somethin', to the  
mall or somethin'

Heavy ass shit for the mob, for the mob  
When I make a zillion I resign, I resign  
I'm realer than a hundred dollar bill with the line across  
When Christmas come around ask Santa Claus

Santa do you know E-40?  
Bet you that nigga say, "That's my homey"  
We used to perv grind curb trip to my grandma  
Kahlua with them brandy almost every day

Cardiac is cool but I'm on gin, on gin  
Santa bought me a new Mac-10, yeah  
Yeah, click shit makes a motherfucker's night  
Niggaz listen to it 'cuz it's right  
Crooked twisted unlisted on the highways  
We riding sideways, beotch

I'm riding sideways, this way thatta way  
(Back up the Coupe and roll sideways)  
I'm riding sideways, this way thatta way  
(Made a left at the corner 'cuz it was hoes)

I'm riding sideways, this way thatta way  
(I'm looking for a big seat)  
I'm riding sideawats, this way thatta way  
(Hoes see this type of shit and go reala)

I'm riding city to city, city to city, me and Leviti  
So get your toilet paper 'cuz it's gon' get shitty, gon'  
get shitty  
I hit the highway goin' East, East  
Twenty-two ounces of yeast, yeast

I'm playin' this game 'cuz a nigga my age be  
I met her last night and today she paged me  
Wanna know if B-Legit can kick it tonight, what else  
Only sixteen, way too tight

But age ain't nothin' but a number, number  
Baby got her hair done by Shanda, Shanda  
Nine, nine, ten, eleven and up  
If you bleed, you get fucked, fucked

No not me, not fo'-oh, not fo'-oh  
I break the bootch down with a two by fo'  
Eryfuckinday is a holiday, celebration  
When the bitch is actin' crabby that means she's on her  
mensuration

I be like fuckin' 'em like dissin it to the highest, highest  
Talkin' more shit than Kalidous  
A str-uh, strizuck out in my Cutlass Supreme on a  
Friday  
Which way we ridin', riding sideways, beotch

I'm riding sideways, this way thatta way  
(Doing about a buck fifty)  
I'm riding sideways, this way thatta way  
(Danked out and full of that Cisco)

I'm riding sideways, this way thatta way  
(Pervin', swervin', runnin' all into the curb and)  
I'm riding sideways, this way thatta way  
('Bout a gallon to the dome, then that's the hit)

See Imma hogg nigga, Beverly Hillbilly  
Neckbone, socks, tails, pork'n'beans and chili  
Just like my nigga Celly, we likes to kick it silly  
Regurgitate and kick a bootch move up out the telly

'Cause they out there bad ain't satisfied  
Hoes just wanna be pacified  
But I can't do no justice 'cuz the justice ain't to be did  
Beotch, you usin' too much red

Now I've been known to break niggaz off, off  
Hard type or soft, line 'em up, chalk 'em up as a loss  
See me in the parking lot doing my thang, yeah

Love to see my old school dance in the rain, kick it

The po-po's came then they closed up shop, kick it  
Smashed through the Hood and we made that hot  
See the shit don't stop, stop, motherfuckers pop  
Seven-deuce drop, drop, Coney air shocks

Riding through the shit like Racer X  
And if a motherfucker flex break back and necks, back  
and necks  
Running red lights and the right-of-ways  
How we gonna get it doe? We get it sideways, beotch

I'm riding sideways, this way thatta way  
(Late at night up and down saying hi)  
I'm riding sideways, this way thatta way  
(Be trapped trunk, Stark Boulevard)

I'm riding sideways, this way thatta way  
(Come here you little hard-ass boy)  
I'm riding sideways, this way thatta way  
(Niggaz like to hear this type of shit when they crawl)
