I'm so tired  
of falling in love  
Finding it easier  
to fall out  
I can't deny it  
I feel it inside  
I'll keep its fire  
you can't hide

I'm falling in love again  
ain't nothing I can do  
Falling in love again  
this time it's with you  
When I fall  
it's always the same  
and I'm so tired  
of playing this game

It's so long now  
since I gave up my heart  
I've kept the light down  
I don't wanna get it hard  
So let me tell you now  
I just wanna be sure  
that you won't hurt me  
Can you promise me that?

Falling in love again  
ain't nothing I can do  
Falling in love again, girl  
and this time it's with you  
When I fall  
it's always the same  
and I'm so tired  
of playing this game

Got to tell me if you're gonna break my heart  
If you don't wanna take the chance  
And if it ain't true, all it's gonna be  
is nothing but a poor romance  
So, give me that promise to hold on now

I'll never let you go  
I've got to have something go on, oh  
then you know now

Falling in love again  
ain't nothing I can do  
Falling in love again, girl  
this time it's with you  
When I fall  
it's always the same  
and I'm so tired  
of playing this game, yeah

(Falling in love)  
Falling in love again  
(Falling in love)  
Falling in love again  
(Falling in love)  
Falling in love again  
(Falling in love)

Falling in love again  
ain't nothing I can do  
Falling in love again, girl  
this time it's with you  
When I fall  
it's always the same  
and I'm so tired  
of playing this game
