Mmmmm
Well I found my inspiration there
In silent whispers it just came to me so clear
A simple question of what was I doing there

Hesitation
when I'm standing with my prey
Indecision
about if I should blow him away

It's kind of strange what happened from that moment
on
What more can I say than that reason he was gone
What they were asking was more than I could bear

Execution
what more can, what can I say
The realisation
of blowing a brother away

Mmm
Something in me was gone
Mmm
Something in me was gone, now

Hesitation
when I'm standing with my prey
Indecision
about if I should blow him away

A simple question of what was I doing there

Execution
oh, it wasn't a part of me
The realisation
of how things are going to be

In my commitment to staying away from guilt
I feel no emotion for those I've gone and killed
Heartless devotion to saving the rest of me, yeah

I take my gun and I give it to my prey
I turn my back to him and I start to walk away
And all I want this for someone to stop me there

Don't want redemption
Don't want salvation

Don't want redemption
(In my commitment to staying away from guilt)
Don't want salvation
(I feel no emotion for those I've gone and killed)
Don't want redemption
(In my commitment to staying away from guilt)
Don't want salvation
(I feel no emotion for those I've gone and killed)
Don't want redemption
(Heartless devotion to saving the rest of me, yeah)
