Don't sell your soul for a pack of lies  
Don't sell your soul  
I met the devil in disguise  
with his rainbow wings and a pack of lies  
I had my suspicions but they were ignored

Far away the angel cries  
How far away the angel sings  
Don't sell your soul for a pack of lies  
Don't sell your soul

I watched him preach from the book of greed  
with promises of glory and how we'll succeed  
I had my suspicions but they were ignored

Far away the angel cries  
How far away the angel sings  
Don't sell your soul for a pack of lies  
Don't sell your soul

Far away the angel cries  
How far away the angel sings  
Don't sell your soul for a pack of lies  
Don't sell your soul
