I'm so tired of falling in love
Finding it easier to fall out
I can't deny it
I feel it inside, I'll keep its fire
I can't hide

I'm falling in love again
Ain't nothing I can do
Falling in love again
And this time it's with you

When I fall
It's always the same
And I'm so tired
Of playing this game

It's been so long now
Since I gave up my heart
I've kept it locked down
I don't wanna get it harmed

So let me tell you now
I just wanna be sure
That you won't hurt me
Oh, can you promise me that

I'm falling in love again
Ain't nothing I can do
Falling in love again
Girl and this time it's with you

When I fall
It's always the same
And I'm so tired
Of playing this game

You got to tell me
If you're going to break my heart
'Cos I don't wanna take the chance
And if it ain't true, all it's gonna be
Is nothing but a poor romance

So give me that promise to hold on
And I'll never let you go
I gotta have something to go on
All I'm letting you know now

I'm falling in love again
Ain't nothing I can do
Falling in love again
Girl and this time it's with you

When I fall
It's always the same
And I'm so tired
Of playing this game, yeah

Falling in love again
I'm falling in love again
I'm falling in love again
I'm falling in love again

I'm falling in love again
I'm falling in love again
I'm falling in love again
I'm falling in love again
