And give me one good reason

And like a priest who's spoken
But failed to save

Now the air is empty
And the ground the same
And love has gone to be buried
Beside my name

Give me one good reason
Now that I should care
Give me one good reason
And I'll be there

While my doubts scream

Give me one good reason
Now that I should care
Give me one good reason
And I'll be there

Give me one good reason
Give me one good reason
And give me one good reason
That I should care

Give me one good reason
Give me one good reason

Give me one good reason
That I should care

Give me one good reason
Give me one good reason
Give me one good reason
That I should care
